Hello!

My name is Kayla, the YLD Team Lead! I will also be facilitating clubs at both Dayton and Boone Co schools this year! I am 29 years old and have been with Brighton Center for about a year and half. I recently graduated from NKU and have many years of experience working with teens in various settings. I am passionate about helping youth gain confidence and valuable life skills, as well as providing a safe space for them to have fun and be themselves. I currently live with my partner, our dog and two cats in Cincinnati. In my free time, I love playing guitar, rock climbing, exploring different parts of the city and finding different community events to check out! I love all things YLD and am so excited to dive into a great year full of fun activities!

Please feel free to reach out to me anytime. I'd love to stay connected and am here to help support you and your youth however I can this school year!

Kayla
